8) There is a L S provision of Rs 500/- for blasting Its adequacy has been presumed upon in the absence of detailed block levels to check the provision It would be desirable to insist on details being furnished invariably, as in another instance in connection with the formation of Roads in the Subedar chatram extension the L S provision has been very seriously exceeded

9) It has also to be mentioned that Reports to cover the R Ests to explain the need for the Several items the need for new ones should be insisted
